Santa Ana Register

VOL. X. NO. 165.

SANTA ANA, CALIFORNIA, FRIDAY EVENING, JUNE 11, 1915.

WEATHER
Cloudy tonight and Saturday; northwest winds.

50 CENTS PER MONTH

NATION WAITS AS REPLY REACHES KAISER'S HANDS

POPULATION TO DETERMINE IF SALARIES BE RAISED

Under an opinion given County Auditor W. C. Jerome today by Deputy District Attorney Walter Eden, the new county government act which goes into effect on August 7 will apply to present incumbents among the justices of the peace and constables of Orange county.

That means that most of the township officers will get raises in salaries in August, or as soon as census reports are received by the Board of Supervisors. The 1910 census will be taken where it is clearly unlikely that a census now would make no difference in the classification. In several townships the census was taken last December.

The reason why a raise of salary can be allowed during a term of office is that the township salaries are based upon population. Under the classification under the old law, Santa Ana and Orange townships have been paying \$100 a month to their officers.

Will Get Raises
Under the new classification Justice Cox and Constables Heard and Coleman of Santa Ana will be raised to \$100 a month each, while Justice Armour and Constable Jackson of Orange will drop to \$50.

In several townships, the new classification will make no change in compensation. In the small townships where \$10 salaries have been paid, the salaries go up to \$25.

The old and new classification follows:
At present in townships with over 8000 population, \$15 a month each; between 5000 and 8000, \$50; between 2000 and 5000, \$25; under 2000, \$10. Under the new law, in townships over 15,000 population, \$100; between 10,000 and 15,000, 75; between 5000 and 10,000, \$50; between 2500 and 5000, \$40; under 2000, \$25.

In order to secure the raises it will be necessary for the census in several of the townships to be taken. It is probable that the Santa Ana township census will be asked for.
Office Allowance
In his communication to the district attorney's office, County Auditor Jerome requested an opinion as to whether or not the new salary law would apply to present incumbents in township offices. He also asked if the additional allowances for help are to be used proportionately throughout the year.

The deputy district attorney's opinion follows:
"Replying to your favor of today, asking a written opinion as to whether the new county government bill, insofar as the same affects justices and constables, applies to present incumbents, I give it as my opinion that it does, depending upon population by census."

As to Deputies
"You also ask regarding the additional deputies allowed several officers in the county. I assume you allude more especially to your own office and that of the tax collector, as the additional help allowed in other offices are paid by the month, and the question of proportion will not arise in those cases."

"In my opinion, the additional help allowed in your office and that of the tax collector need not be calculated on the basis of a proportionate part of the year. This additional allowance of assistants may be expended in any part of the year, even in one month, if necessary."

CLAIMS POLICE THREATS
SAN FRANCISCO, June 11.—Charles Calvin, testifying before the State Board of Control probe into the alleged drug traffic graft, declared local policemen threatened him and made him afraid to tell about the "drug ring."

THE CITRUS MARKET
* Nineteen cars oranges, three * cars lemons sold. Oranges, * strong, ten cents higher. Lemons, * higher on 300s; unchanged on * 360s. Averages—Oranges, \$1.75 * to \$3.59. Highest—Glendora Alps, * \$3.85. Weather, fair; tempera- * ture, 64 degrees.

POLICE AND BANDITS IN GUN DUEL BATTLE ON LOS ANGELES STREETS

LOS ANGELES, June 11.—The busy downtown streets of this city were the scene this morning of a pitched battle between three policemen and five alleged bandits, in which the revolvers of all five were emptied, but with no

MYSTERY FIRE BURNS FIVE-ROOM COTTAGE JUST AS DAWN COMES

Residence Vacant for Some Time, Yet Blaze Starts in Unoccupied Room

Fire of mysterious origin totally destroyed a five-room house belonging to Mrs. Mary J. Squires at 840 North Birch street at about 3:40 o'clock this morning. The loss, including \$75 worth of furniture which had just been moved into the house, is estimated at \$875, \$800 of which is covered by insurance.

The blaze was first seen by R. S. Dickinson, a transfer man, 820 North Birch street, and by Wilbur Sherwood, employed by Dickinson. The two men were about to start with a truckload of furniture for Redondo when they saw the fire. An alarm was immediately turned in, but the fire had gained too much headway to make it possible to save the house.

The Squires residence had been vacant for some time. The fire started inside the house in one of the rooms on the north side.

COMMISSIONERS FROM VENTURA HERE TODAY FOR DATA

With the view of familiarizing themselves with the methods employed in the building of Orange county's good roads, three members of the Ventura County Highway Commission were in Santa Ana this morning and were taken on a tour of inspection by Engineer S. H. Finley.

Those in the party are A. C. Hardison, chairman of the Ventura County Commission; Commissioner H. H. Eastwood, and Charles Petit, engineer. Through illness, William Maguire, the other member of the Ventura Commission, was unable to come south on the tour of inspection.

The Ventura men spent one day each in Los Angeles, San Bernardino and Riverside counties.

Hardison stated today that, although there has been a highway commission in Ventura county since 1912, which has made various reports, no road work has yet been done owing to the fact that the board of supervisors would not authorize a bond issue.

"However, we are almost certain that the present board will favor the issuance of bonds," said Hardison, "and it is with this in view that we are making the present trip. We are gathering data in regard to cost of materials, etc., which when we make our report, we believe will be of great benefit when we begin the work of building our good roads in Ventura county."

**TO ESTABLISH SYSTEM
OF CHECKING METERS**
SACRAMENTO, June 11.—"Creeping" meters are to be abolished for all time in California. State Superintendent of Weights and Measures Charles G. Johnson is formulating a plan whereby light, power and gas meters in California will be tested and so adjusted that they will register accurately.

This brings the various light and power companies within the jurisdiction of the state and makes it possible to confiscate the meters and destroy them as is done with other defective weighing and measuring apparatus.

Johnson will have available very soon an apparatus known as an "improving" meter to be used in correcting meters. The new apparatus will make it possible to test ten or more meters at the same time.

SOLON DISAPPEARS
OAKLAND, June 11.—Assemblyman Edward Standon Ellis of Merced county, is reported missing. He left home May 22, going to Sacramento. He had \$125 when he left home. His wife believes he may have met with foul play.

45,000 Booster Postcards Going East

TYPICAL BEAUTY SPOTS SHOWN BY POPULAR METHOD

Thousands of post cards are to be used to spread the fame of Orange county throughout the East.

They are to be sent from the two expositions and the Los Angeles Chamber of Commerce and through the Associated Chambers of Commerce.

The cards are to be furnished free to visitors, to be mailed forthwith and not collected by Californians as souvenirs.

Post cards as an excellent advertising medium were recommended to the board of Supervisors by the county's representatives at the fairs. Members of the county board selected the views, and through the county purchasing agent 31,000 of the post cards have been delivered. The order is for 45,000.

Nine Views Shown
There are nine Orange county views shown in the cards already received. Two additional views from the Tustin section are still to be printed. Of the cards already delivered 15,800 are in the hands of D. W. McDonald, county representative at the San Francisco exposition; 13,800 in the hands of J. P. Smith, San Diego exposition, and 9900 in the hands of Winifred Bryan, Los Angeles Chamber of Commerce. Within a short time there will be some in the hands of J. C. Metzgar, secretary of the Associated Chambers of Commerce.

The post cards are beautifully finished. They are glazed photocolor style.

Go Like Hot Cakes
McDonald has written to the county purchasing agent that the cards have been going like hot cakes. The first day he put out fifty cards of each of the nine views, and before night they were all gone. The cards must be mailed out. To insure that the sender must buy the stamps and put them on the booth, from which place they are mailed.

Views were selected for the purpose of showing at least two views from every supervisory district.

What Are Shown
The nine cards which show the court house, the magnolia and palm walk on the west side of the court house, the Anaheim Union High School, Hewes Park, the municipal pier at Huntington Beach, a walnut grove at Fullerton, the Orange Union High School, a field of sugar beets at Huntington Beach, and the Orange County Park.

Upon each card appears a brief statement of fact concerning the county, city, industry or attraction pictured upon the card. These statements follow:

"The City"
This is a picture of the famous Orange County's Court House, located in Santa Ana, the county seat and metropolis, as well as the commercial center of the \$30,000,000 worth of products that this rich little county yielded in 1914. If you are interested write to the Chamber of Commerce, Santa Ana, California, for free pictorial folders.

"A Busy Business City"
Anaheim, Orange County, California. The Union High School in Anaheim is an educational institution, second to none. Orange County is noted for its splendid school system, and this city has kept pace with neighboring cities. Anaheim has a population of about 4500 and is growing steadily. More information will be furnished by the Chamber of Commerce if applied to.

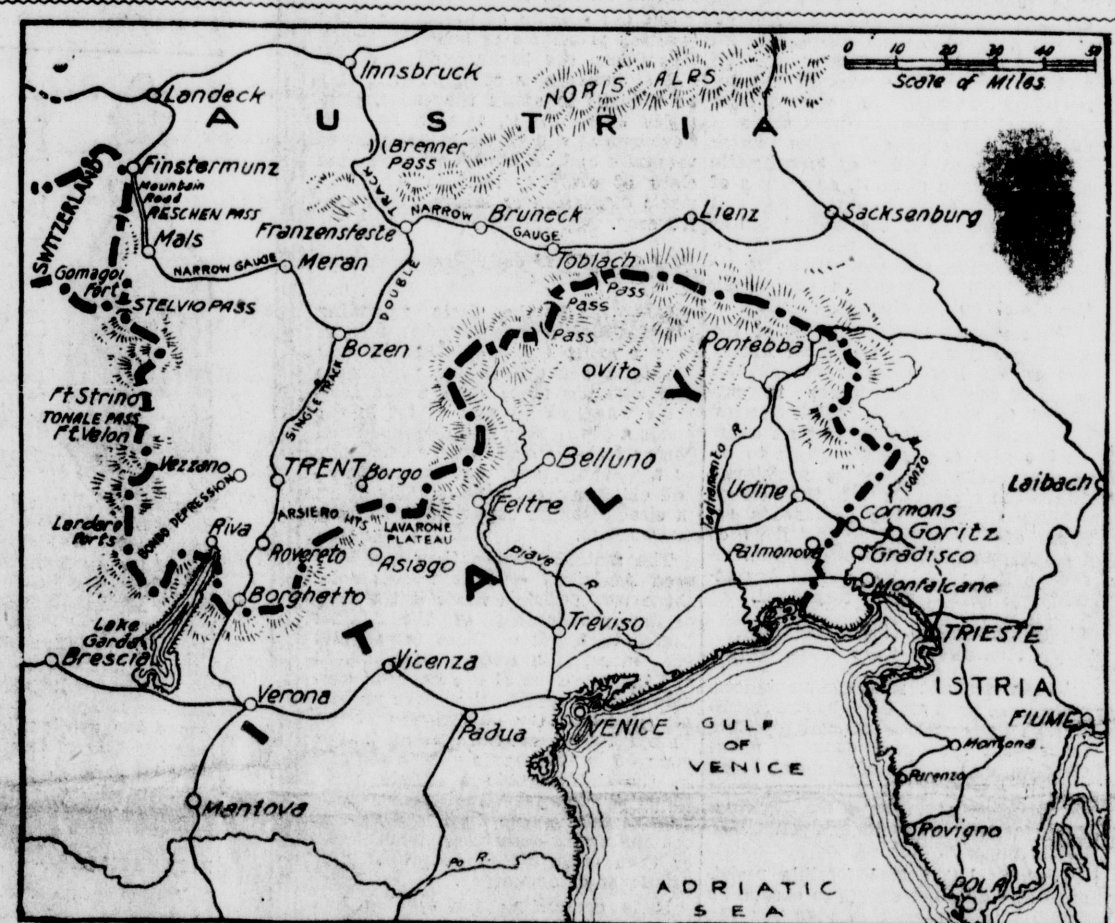

"The City"
There is a reason for living in Santa Ana, California. Located midway between the mountains and the sea, about ten miles to either, with a climate that is to Southern California what Southern California is to the rest of the world. If interested, write to the Chamber of Commerce for free illustrated booklets.

"The Oil City of the Great Southwest"
Fullerton, Orange County, California. This is a picture of Orange County's famous paved highways, through a walnut orchard to the oil wells, where over \$12,000,000 worth of crude oil and natural gas was produced in 1914. Walnuts and oil are important, but that's not all for which this section is noted. For full particulars apply to the Chamber of Commerce, Fullerton, California.

"Orange, a Home City"
The Orange Union High School is a source of pride not only to those directly benefited, but to all of Orange County. The city of Orange is progressive and maintaining a rapid development. An inquiry addressed to the Commercial Club, Orange, California, will bring full information.

"The Industrial City by the Sea"
Huntington Beach, Orange County, is located on a high mesa. The city

THE ITALIANS HAVE TAKEN the offensive, so far as the news dispatches tell the story of the war between Austria and Italy. Italian parties have charged across the border near Switzerland, and if the stories from Rome are to be believed, the Austrian garrisons have fled before them. A map is here given of the fighting zone. The upper of the accompanying photographs is Thomas Nelson Page, American Ambassador to Italy; the other is Frederick C. Penfield, American Ambassador to Austria's court.

PANIC-STRICKEN HORSES MADLY DASH OVER 2 COUNTIES

EAST ALTON, Ill., June 11.—A violent storm late last night stampeded three hundred head of horses which were being held here for shipment to the British war zone. The maddened animals escaped from the corral and all night long have been terrorizing Saint Clair and Madison counties.

Reports up to noon today are that eighteen of the horses have been killed by trains, while the remainder are roaming the two counties in droves of from half a dozen to several score.

"A Semi-Tropical Park"
One of Orange County's beauty spots the city of Orange, California, seated in the famous frostless belt. Flowers bloom throughout the year. The background of the picture shows orange orchards and paved highways, two important factors in the development of Orange County. The Chamber of Commerce, Orange, California, will furnish full information on request.

"The Industrial City by the Sea"
Huntington Beach, Orange County, Cal. One of the largest sugar factories in the world is located here, one of five in Orange County, where over \$6,000,000 worth of sugar was made in 1914. The back country immediately tributary, includes the famous peatland district, the richest soil on earth. Write to Chamber of Commerce for full particulars.

"Orange County Park"
A beautiful natural park of native trees and running mountain waters, containing 160 acres. About ten miles from the central part of the county, it is on the good road system, and is the mecca of thousands of picnickers throughout the entire year.

PITCHED BATTLE NOW PENDING IN MEXICO

GALVESTON, June 11.—Representatives here of Carranza declare that Generals Villa and Felipe Angeles are now open enemies. It is said the two have disagreed over a question as to who first retreated at the battle of Leon. Villa, it is said, has sworn to kill Angeles.

3 WOMEN HURT AS TWO AUTOS COLLIDE

PASADENA, June 11.—Miss Mildred Carr, Miss Ida Carr and Mrs. Lewis Bond, all residents of Alhambra, were painfully injured today when the automobile in which they were driving collided with the machine of A. A. Roberts of Los Angeles.

'A NIGHT IN HAWAII' IS STAGED AT EXPOSITION

SAN FRANCISCO, June 11.—"A Night in Hawaii" will be staged at the exposition tonight in honor of Hawaii Day. Governor Pinkham of Hawaii is to preside.

THRILLING STORY OF BIG BALLOON GALE-TOSSED AND SINKING

STOCKTON, June 11.—George B. Harrison, pilot of the balloon "Jewel City," and Clarence Drake, his assistant, tell an exciting story today of the thrilling adventures they went through in yesterday's exposition balloon race. Starting from the North Gardens Wednesday night, they passed over Oakland at an altitude of 5000 feet. They were then caught in conflicting air currents which carried the gas bag around Altamont mountain. As they ascended a valve broke and a terrific gale caught the balloon and drove it toward Collegeville.

FISHERMEN RETURN AS IF FROM THE GRAVE

SANTA MONICA, June 11.—Otto Togliether and Henry Martens, fishermen, lost at sea since Monday, reached here today. They say the fog confused them and they rowed aimlessly for hours. They drifted around in an open boat, with only a loaf of bread and one egg as provisions. They were utterly exhausted when they made shore. Friends had given them up for dead.

HARRY WOLVERTON'S BALL CAREER ENDED?

SAN FRANCISCO, June 11.—It is today feared that Harry Wolverton's injuries may end his baseball career. It is stated at the hospital that an operation may be necessary. Roy Corhan, shortstop, has been appointed temporary manager.

DELAY DEMANDED

WASHINGTON, June 11.—The State Department has demanded delay in the execution of George Marks, and S. Franklin, Americans convicted as counterfeiters and sentenced to be shot by Villaistas.

SUICIDES IN PUBLIC

LOS ANGELES, June 11.—Claude J. Carter, a mechanic, today fought bystanders and committed suicide. He grabbed a rifle, was disarmed, then grabbed a pistol and blew out his brains.

WILSON NOTE IS HELD PEACEFUL BUT CARRYING CONCEALED THREATS

President Wilson's new note to Germany will be found in full on page 2 of this issue of the Register. This is the note which caused the resignation of Secretary of State Bryan.

WASHINGTON, June 11.—Official Washington today seems inclined to interpret President Wilson's rejoinder to the German Lusitania note as "an appeal to reason, with threats artfully concealed."

Germans here freely express the hope that Kaiser Wilhelm will accept the terms of the note.

It is believed that a modification of the methods used by the Teutons in their submarine warfare would go far toward strengthening Germany's cause here.

Little War Talk Heard
All three notes sent by America have declared submarining to be contrary to the laws of humanity and to the rules of international warfare. President Wilson evidently assumes that Germany's new reply will at least be friendly in tone.

There is little or no war talk heard here in the capital. Meyer Gerhard, personal emissary of German Ambassador Count Von Bernstorff, is expected to arrive in Berlin Sunday and on Monday it is thought he will personally explain to the Kaiser the position taken by America.

Ambassador Cordial
German officials here do not seem to regard the note as likely to cause a break between the two countries. Ambassador Bernstorff today was smiling and cordial to all with whom he came in contact.

It is understood here to be the intention of former Secretary Bryan to postpone his peace campaign until the reply of Germany is received. In the event of Germany rejecting the demands of the United States, Bryan, it is thought, will endeavor to substitute arbitration instead of any drastic steps which President Wilson may be inclined to consider.

Note Not Changed
Acting Secretary of State Robert Lansing declared today that the note had not been changed in any manner since the resignation of Secretary Bryan.

America's note protesting against interference by the allies with American shipping has not yet been completed. Lansing admitted that it would not be ready for transmission for some little time.

The cabinet met today to consider routine business.

BERLIN PAPERS URGE SINKING OF MORE BIG LINERS

AMSTERDAM, June 11.—Berlin newspapers today, according to dispatches, editorially urge the sinking of the liners Arabic and Orduña, which are sailing from America to England carrying munitions of war.

The papers declare the sinking of the Lusitania has failed to intimidate Britain.

GERMAN SUBMARINE DIVER SINKS BATAVIA VESSEL

BERLIN, June 11.—The Batavia liner Zweina has been sunk by a submarine torpedo, it is announced today. Five sailors and eleven passengers were rescued.

ZEPPELIN SENDS FISHING CRAFT TO BOTTOM

LONDON, June 11.—A German Zeppelin today sank two small fishing smacks off the Holland coast. A Dutch steamer rescued the crew of both vessels.

ALLIES' FLEET BOMBARDS DARDANELLES FORTS

ATHENS, June 11.—The allies' fleet has been ceaselessly bombarding the Dardanelles fortifications for the past two days. Simultaneously land forces have been attacking the Turkish positions. The result of the joint operations is not announced.

**RUSSIANS MAKE SWEEPING
CLAIMS OF VICTORIES**
PETROGRAD, June 11.—The Russians have won three big battles, defeating the Germans and Austrians all along the line, today's War Office dispatches declare.

TWO GOOD ROADS TO CAPISTRANO IS GOAL NOW IN VIEW

Assurance that rough spots in the two roads from Santa Ana to San Juan Capistrano will be eliminated as much as possible in time for the Santa Ana Auto Club-Associated Chambers of Commerce automobile run to the San Diego exposition on June 24 were given today by Supervisor Jasper Leck of Tustin.

Supervisor Leck is highly desirous that the route be arranged so that the motorists will have an opportunity of seeing the country along both the Orange county coast road and inland road.

"I think that the trip will be much more attractive for the automobilists if they take the road via Laguna in going to San Diego and the direct route from Capistrano on the return trip or vice versa, rather than using only one route both going and coming," said Supervisor Leck.

"There will undoubtedly be a large number of strangers in the Orange county automobiles making the trip on June 24. I think that these should be given an opportunity of seeing not only the beautiful coast from Laguna southward but the farming section between Irvine and San Juan Capistrano as well."

On or before June 20, Supervisor Leck is going on a tour of inspection of the two roads. At that time he will determine on what is to be done along the roads. At some places he will give orders to do some grading and at others he will instruct the workmen to haul in loads of decomposed granite. Wherever practicable the road will be oiled in order to do away with as much dust as possible.

The road below Arch Beach is being oiled at present. Further on down the coast decomposed granite will be hauled in to fill up the ruts.

"Of course, on the direct route from Irvine to Capistrano there will be more or less ruts and dust and this is practically unavoidable," says Supervisor Leck. "But I'm going to see to it that everything is done to put the roads in the best possible shape in time for the run on June 24."

Special Saturday: Dragon Special Cream Chocolates, 25c lb.; Peanut Brittle, 15c; Peanut Bar, 15c; 5 flavors Cream Taffy, 15c lb.

BUILD ROAD
Fullerton Tribune: The street superintendent and his crew are at work on the road to the Amalgamated lease. Grading and oiling operations have been undertaken.

WHEN YOU WASH YOUR HAIR DON'T USE SOAP

"Most soaps and prepared shampoos contain too much alkali, which is very injurious, as it dries the scalp and makes the hair brittle."

The best thing to use is just plain mulsumed coconut oil, for this is pure and entirely greaseless. It's very cheap, and beats soap or anything else all to pieces. You can get this at any drug store, and a few ounces will last the whole family for months.

Simply moisten the hair with water and rub it in, about a teaspoonful is all that is required. It makes an abundance of rich, creamy lather, cleanses thoroughly, and rinses out easily. The hair dries quickly and evenly, and is soft, fresh looking, bright, fluffy, wavy and easy to handle. Besides, it loosens and takes out every particle of dust, dirt and dandruff.

SPECIAL DELIVERY FOR SUNDAY DINNER

We will make special deliveries up until 12 o'clock Sunday of

Bulk or Brick

Ice Cream or Ices

Always hard frozen brick ice cream or ices, in pint and quart sizes, at our fountain.

HERE IS FULL TEXT OF NEW AMERICAN NOTE TO GERMANY

WASHINGTON, June 11.—The text of the American rejoinder to the German government's reply to the note following the sinking of the Lusitania, follows below in full:

The Secretary of State ad interim to the American ambassador to Berlin, Department of State,

Washington, June 9, 1915.
You are instructed to deliver textually the following note to the Minister of Foreign Affairs:

In compliance with your Excellency's request I did not fail to transmit to your government immediately upon their receipt your note of May 28 in reply to my note of May 15 and your supplementary note of June 1, setting forth the conclusions so far as reached by the Imperial German government concerning the attacks on the American steamers Cushing and Gulfight. I am now instructed by my government to communicate the following in reply:

Gratified in Reply in Two Other Cases

The government of the United States notes with gratification the full recognition by the Imperial German government, in discussing the cases of the Cushing and the Gulfight, of the principle of the freedom of all parts of the open sea to neutral ships and the frank willingness of the Imperial government to acknowledge and meet its liability where the fact of attack upon neutral ships which have not been guilty of any hostile act, by German aircraft, or vessels of war, is satisfactorily established; and the government of the United States will in due course lay before the Imperial German government, as it requests, full information concerning the attack on the steamer Cushing.

With regard to the sinking of the steamer Falaba, by which an American citizen lost his life, the government of the United States is surprised to find the Imperial German government contending that an effort on the part of a merchantman to escape capture and secure assistance alters the obligation of the officer seeking to make the capture in respect of the safety of the lives of those on board the merchantman, although the vessel has ceased her attempt to escape when torpedoed.

Circumstances Do Not Alter Humanity's Case

These are not new circumstances. They have been in the minds of statesmen and of international jurists throughout the development of naval warfare, and the government of the United States does not understand that they have ever been held to alter the principles of humanity upon which it has insisted.

Nothing but actual forcible resistance or continued efforts to escape by flight when ordered to stop for the purpose of visit on the part of the merchantman has ever been held to forfeit the lives of her passengers or crew.

The government of the United States, however, does not understand that the Imperial German government is seeking in this case to relieve itself of liability, but only intends to set forth the circumstances which led the commander of the submarine to allow himself to be hurried into the course which he took.

Claim That Lusitania Was Armed Refuted

Your Excellency's note, in discussing the loss of American lives resulting from the sinking of the steamship Lusitania, adverts at some length to certain information which the Imperial German government has received with regard to character and outfit of that vessel, and your Excellency expresses the fear that this information may not have been brought to the attention of the government of the United States.

It is stated in the note that the Lusitania was undoubtedly equipped with masked guns, supplied with trained gunners and special ammunition, transporting troops from Canada, carrying a cargo not permitted under the laws of the United States to a vessel also carrying passengers, and serving, in virtual effect, as an auxiliary to the naval forces of Great Britain.

Fortunately, these are matters concerning which the government of the United States is in a position to give the Imperial German government official information. Of the facts alleged in your Excellency's note, if true, the government of the United States would have been bound to take official cognizance in performing its recognized duty as a neutral power and in enforcing its national laws.

It was its duty to see to it that the Lusitania was not armed for offensive action, that she was not serving as a transport, that she did not carry a cargo prohibited by the statutes of the United States, and that, in fact she was a naval vessel of Great Britain, she should not receive clearance as a merchantman; and it performed that duty and enforced its statutes

Freckle - Face

Sun and Wind Bring Out Ugly Spots; How to Remove Easily

Here's a chance, Miss Freckle-face, to try a remedy for freckles with the guarantee of a reliable dealer that it will not cost you a penny unless it removes the freckles; while if it does give a clear complexion the expense is trifling.

Simply get an ounce of othine—double strength—from any druggist and a few applications should show you how easy it is to rid yourself of the homely freckles and get a beautiful complexion. Rarely is more than one ounce needed for the worst case.

Be sure to ask the druggist for the double strength othine as this is the prescription sold under guarantee of money back if it fails to remove freckles.—Advertisement.

with scrupulous vigilance, through its regularly constituted officials.

Willing to Hear Germany's Evidence

If the Imperial German government should deem itself to be in possession of convincing evidence that the officials of the government of the United States did not perform these duties with thoroughness the government of the United States sincerely hopes that it will submit that evidence for consideration.

Whatever may be the contentions of the Imperial German government regarding the carriage of contraband of war on board the Lusitania or regarding the explosion of that material by torpedo, it need only be said that in the view of this government, these contentions are irrelevant to the question of the legality of the methods used by the German naval authorities in sinking that vessel.

But the sinking of passenger ships involves principles of humanity which throw into the background any special circumstances of detail that may be thought to affect the cases, principles which lift it, as the Imperial Government will no doubt be quick to recognize and acknowledge, out of the class of ordinary subjects of diplomatic discussion or international controversy.

Duty of America to Speak Protest

Whatever be the facts regarding the Lusitania, the principal fact is that a great steamer, primarily and chiefly a conveyance for passengers and carrying more than a thousand souls who had no part or lot in the conduct of the war, was torpedoed and sunk without so much as a challenge or a warning, and that men, women and children were sent to their death in circumstances unparalleled in modern warfare.

The fact that more than one hundred American citizens were among those who perished made it the duty of the government of the United States to speak of these things and once more, with solemn emphasis, to call the attention of the Imperial German government to the grave responsibility which the government of the United States conceives that it has incurred in this tragic occurrence and to the indisputable principle upon which the responsibility rests. The government of the United States is contending for something much greater than mere rights of property or privileges of commerce.

It is contending for nothing less than the high and sacred tenets of humanity, which every government honors itself in respecting and which no government is justified in resigning on behalf of those under its care and authority. Only her actual resistance to capture or refusal to stop when ordered to do so for the purpose of visit could have afforded the commander of the submarine any justification for so much as putting the lives of those on board the ship in jeopardy.

This principle the government of the United States understands the explicit instructions issued on August 3, 1914, by the Imperial German admiral to its commanders at sea to have recognized and embodied as do the naval codes of all other nations, and upon every traveler and seaman had a right to depend. It is upon this principle of humanity as well as upon the law founded upon this principle that the United States must act.

Ready to Act as Mediator Agent

The government of the United States is happy to observe that your Excellency's note closes with the intimation that the Imperial German government is willing, now as before, to accept the good offices of the United States in an attempt to come to an understanding with the government of Great Britain, by which the character and conditions of the war upon the sea may be changed.

The government of the United States would consider it a privilege thus to serve its friends and the world. It stands ready at any time to convey to either government any intimation or suggestion the other may be willing to have it convey, and cordially invites the Imperial German government to make use of its services in this way at its convenience.

The whole world is concerned in anything that may bring about even a partial accommodation of interests and in any way mitigate the terrors of the present distressing conflict.

Looks to See German Justice Vindicated

In the meantime, whatever arrangement may happily be made between the parties to the war, and whatever may in the opinion of the Imperial German government have been the provocation or the circumstantial justification for the past acts of its commanders at sea, the government of the United States confidently looks to see the justice and humanity of the government of Germany vindicated in all cases where Americans have been wronged or their rights as neutrals invaded.

The government of the United States therefore very earnestly and very solemnly renews the representations of its note transmitted to the Imperial German government on the 15th of May and relies in these representations upon the principles of humanity, the universally recognized understandings of international law, and the ancient friendship of the German nation.

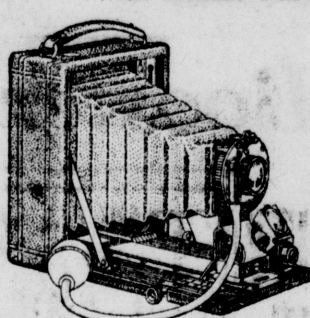

Cannot Admit War Zone's Validity

The government of the United States cannot admit that the proclamation of a war zone from which neutral ships have been warned to keep away may be made to operate as

Big List of Saturday Specials

Drugs, Toilet Preparations and Sundries, Helpful Suggestions of Seasonable Household Needs Specially Priced for Saturday Shoppers.

Free Films with Kodak Purchase

With any of our folding Kodaks purchased on Saturday we will put in films free of charge. Come in Saturday and look them over.

LOSES HIS CLOTHES IN EXPLOSION ON THE GLADYS

NEWPORT BEACH, June 11.—When the safety valve on the air tank of the launch Gladys stuck last Sunday night, Dyke Thorpe, who was snoozing on the deck, had all the clothes blown off his body by the explosion and was hurled naked but uninjured into the sea. So great was the force of the explosion that the heavy deck planks were torn up and the engine and cabin entirely demolished.

The Gladys, a seagoing launch, thirty-five feet long, is heavily constructed. The air tank which caused the damage is a small one used for compressing air to blow the siren. Nothing but the bulk of the boat was left after the explosion, and a rope being secured, the remains were towed ashore by Thorpe.

Thorpe's companion, William Souder, who was in the cabin at the time of the explosion, was uninjured. The launch is the property of Frank Thorpe of Newport Beach.

CHASE PIANO POPULAR WITH SANTA ANANS

O. J. Goehner, manager of the Santa Ana branch of the Bartlett Music Company, Los Angeles, reports the sale of A. B. Chase pianos recently to Prof. J. R. Baker of the Polytechnic High School; Frank E. McCarter of the Orange County Title Company; Mrs. Ralph Williams, Third and Flower streets, and W. T. Sexton. The piano sold to Sexton is a beautiful Chase self-player. Goehner has only recently taken up his new location at 408 North Main street.

ARTESIA POSTOFFICE BUILDING IS BEGUN

Artesia News: Work on the fine new postoffice which Artesia is to have about July 1, is already begun, and the white brick front is now partly up, and it will be a credit to this community. We are sorry that all the work may not be done by local mechanics, but this is not the fault of the postmaster, as the building is being built by Mr. Brown, who owns the lot and leased it to the government.

WHERE LOVE EXISTED, AND IRATE PARENTS, A WAY HAD TO BE FOUND

It takes more than law and county clerk to stop some marriages. It necessary, Cupid adds on a year or two to a person's age.

Also, when parents order a girl who wants to be married never to return home, they cannot legitimately object if she uses whatever means is necessary to get married. Some such conclusions as indicated above may be drawn from the fact that yesterday in Los Angeles a marriage license was granted to Robert Contreras of San Gabriel and Ida Reyes of Placentia. Last Saturday the couple applied to Deputy County Clerk Backs for a license. Robert gave his age as 20 and the girl's as 17. Backs said that he would not issue a license until the couple brought in consents from their parents. Robert said he could either of his parents to consent, but it was impossible to get either of Ida's to sign. They had that morning "run her out of the house." The couple sadly left the court house Saturday at noon.

But they found a way. They went to Los Angeles yesterday and got a license. How? By telling the county clerk there that Robert is 21 and Ida 18. Of course, that is perjury, if they told the truth when they were in Santa Ana Saturday. And perjury is a serious offense.

PRIZE WINNING BABY BELONGS TO TUSTIN

Although most of the babies examined during the recent interesting "Better Babies" contest reached the 90 per cent mark, the laurels belong to our sister city, Tustin, the prize-winning baby being little Miss Mary Elizabeth Smith, the tiny golden haired daughter of Mr. and Mrs. R. I. Smith.

After a thorough examination by Santa Ana's most competent physicians, this little miss was pronounced a perfect specimen of healthy babyhood.

Tonight and tomorrow night at Temple Theatre will be shown Dustin Farnum in "Captain Courtesy."

'CHERRY' EXCURSION TO YUCAIPA

Persons desiring to join the excursion to the Cherry orchards should at once notify the undersigned. The automobiles will start at 6 o'clock on next Monday morning from my office, 504 North Main street. Those from Orange will start from the Plaza at about 6:15. Lunches should be provided and eaten at the fountain at Cherrycroft, at noon. Persons without autos who wish accommodations should apply at once. For further information, Phone 161, or call at 504 North Main St.

JOHN R. SCHOOLEY.

NEGOTIATING TO HAVE LOCAL SPEED PILOTS DRIVE AT EL CENTRO

Negotiations being carried on now between W. A. Collins of this city and the management of a Fourth of July celebration committee of El Centro may result in a number of local auto mobile pilots entering a fifty-mile road race to be staged at the desert city on July 5. Collins has had the management of a number of race meets at the local track. Those who have told him they may enter the El Centro races are Dick Cribbar, Santa Ana; Tom Wright, Orange; Jack Schoneberger, Tustin; P. E. May, Fullerton; Charles Wilson, Santa Ana. Prizes ranging from \$600 to \$1000 will be offered at El Centro, it is announced. The entry fee will be \$25, with \$10 extra for garage storage overnight.

SARI WELL RECEIVED BY SMALL HOUSE AT THE GRAND

A rather small, but highly appreciative audience greeted Mizzi Hajos and her excellent company at the Grand Opera House last night. The offering was "Sari," in opera in two acts, and the singing, acting and costuming were excellent—really artistic in the major part.

The theme was "Victorious Ever is Youth." Pati Racz (J. K. Murray) is a much married Hungarian Gypsy leader, a retired great violinist with many children. He is about to be married the fourth time to a beautiful young woman who is in love with and is loved by Racz's son. The old man thinks he is still young, and that his son, whom he has taught to play the violin is not and never can be an artist. But when the elder Racz is prevailed upon to go Paris and appear in public, after nine years of retirement, he learns that he is no longer young, either as an artist or as a candidate for matrimony. His son, involuntary and unknowing eclipses him as a violinist, and this awakens the old man from his blind dream of love and discovers to him the mutual love of his fiancée and his son—"Blessings on you, my dear children!"

Miss Hajos appeared here some two or three seasons since in "The Spring Maid," and has remained a delightfully fragrant memory to those who saw her then. "Sari" is perhaps scarcely so clever a vehicle as "The Spring Maid," but the adorable Mizzi has lost nothing in charm. She is the very incarnation of youth, and bubbling mischief, with beauty and capability thrown in for full measure. We had heard, with keen regret, that the Hungarian accent which added a quaint charm to her speech, had vanished—but fortunately this is not true. Such a demure little country mouse as she appears in the first act, in her plain peasant's costume, with her hair in a stiff little pig-tail, sticking straight out from her pretty head, but with the Mizzi Hajos mischief and charm shining out quite as potently as when she is arranged in airy tulle and lace in the last scene. The Hungarian gala-day costume worn by Miss Hajos in the second act is a thing to marvel at, and the careful balancing and fluttering required to accomplish a proper "sit down" in the yards upon yards of starched ruffles aroused gales of laughter.

Miss Hajos was supported by Charles Meakins, famous of old for his Prince Danilo in "The Merry Widow" of tuneful memory. Despite a noticeable increase in the region of his waist line, Mr. Meakins is the same delightful dancer as of yore, and his love-making as Count Irini carries the ease and charm that makes a stage-lover a thing of joy. The singing and dancing of Sari and Irini in "Love's Own Sweet Song" was one of the hits last night.

J. R. Murray as Pati Racz, the Gypsy musician and leader was a strong favorite. His voice is most pleasing and was perhaps at its best in "My Faith Stradivari," which brought him several encores.

Gretchen Hood as Zuliska, sang herself into the hearts of her hearers with a beautiful soprano voice of rare charm.

AT THE COURTHOUSE

NO NEED OF GUARDIAN; PETITION DENIED

Today Otto Hunsman of Anaheim was taken into Judge West's court room on a cot to resist the application of his sister, Mary Franz, for guardianship over him. He said he had been cared for excellently by his brother, Henry, and had deeded his property to Henry, and he had no property needing the attention of a guardian. The petition was denied.

New Cases Filed
John A. Davis is suing Rev. Alfred Quetu of San Juan Capistrano. Last March judgment for \$3247.39 was entered in Los Angeles in favor of Albert Kette, who on executions was able to collect only \$86.79. Davis, as assignee, is suing for a decree declaring that the Capistrano Land Company and the Valencia Ranch Company, which he says were formed by Rev. Quetu to avoid payment of the Davis debt, should be held for the judgment.

Fred W. Stroschein asks for letters under the will of his father, Wm. F., who died on May 22. The estate is valued at \$15,000, consisting largely of real estate at San Juan Capistrano. The estate goes to members of the family, Williams & Rutan are attorneys for the petitioner.

H. W. Cozad, with Williams & Rutan, attorneys, is suing T. F. Lee to quiet title to lot 4, tract No. 24.

Final divorce decrees were given today to Iva Vassar against F. E. V. Vassar and Edith G. Rochester against James H. Rochester.

IN THE JUSTICE COURT

PAYS FINE FOR DRIVING AUTO ON NEW SURFACE

W. F. Mackey today pleaded guilty to driving an auto on new surfacing on the Laguna Beach road, and he was fined \$5.

L. G. Hook of Los Angeles declared he was in Los Angeles the day that he is said to have driven a machine over new paving on the state highway. He has sent to Los Angeles for a witness.

H. A. Hageman paid a fine of \$3 for having no number on his motorcycle.

THIRTY-SIX FOR 25 CENTS
Dr. King's New Life Pills are now supplied in well-corked glass bottles containing 36 sugar coated white pills, for 25c. One pill with a glass of water before retiring is an average dose. Curry's Taxi, any place in city, 25c. Phone 193; it will call.

Selling Men's Clothing Under a Fair-Deal Policy

© A. B. K. Co., 1915

Since we adopted our fair selling plan, eliminating all discount sales, the public has accorded us a patronage that measures the real merit of our new policy. But we expected this forward step in the selling of Men's Clothing to meet with just such response.

It must be evident to any person that discount sales are unfair to the purchaser. Our ONE PRICE TO EVERY MAN policy means greater value and better quality for the customer's money, whether he buys early or late. There is no reason why the man who buys a suit at so-called "regular price," say at \$25, should see his neighbor buy the same identical suit for \$20 a week later. Under our new selling plan we mark our goods just as low as we can afford to sell them and stick by these prices throughout the season. THE SAME PRICE TO EVERY MAN, is our motto.

Just These Four Prices

Our entire stock is marked to conform to our new selling plan. We specialize on these four prices right through the year.

Any suit which has heretofore sold at \$18, and many values up to and including \$20. You save the difference under our new selling plan.

\$15

Any Styleplus Suit in our store. Styleplus suits are made to sell at the same price the world over at all seasons. You save \$3 to \$8.

\$17

\$25 Stein-Bloch and L. System Suits, made by the manufacturer to sell for \$25 everywhere. Our Fair-Selling plan price \$20.

\$20

All \$27.50 and \$30 suits in stock will be sold at \$25. At this price we include the very acme of clothing perfection. Investigate our Fair-Selling Plan.

\$25

Furnishings are Sold Here at Fair Prices

SUMMER SHIRTS

The new stripes and other popular patterns are here in endless variety, soft French cuffs, at \$1.00, \$1.50 and up.

COOL UNDERWEAR

Keep cool in a suit of sheer underwear. We show long or short sleeves, knee and ankle lengths, two-piece and union at \$1 and up per suit.

STRAWS AND PANAMAS

The season's new shapes in straws, now showing at \$2.00, \$2.50 and \$3.00. Panamas—perfect summer hats, these at \$5.

HILL, CARDEN & CO.

112 West Fourth St.

TUSTIN TO CULVER'S CORNER OPEN JULY 4

The section of state highway between Main street, Tustin, and Culver's Corner will be open to automobiles and light traffic by July 4, and to heavy truck traffic ten days after that date. The reason for forbidding heavy traffic until later is that the county has today finished its bridge two miles below Tustin, and the bridge will not be allowed to take heavy traffic until about July 15. Supervisor Leck will station a man on the road to prevent heavy trucks going over the bridge. No part of the section will be open to traffic until July 3 or 4. There are two reasons. One is that the by-pass now in use is in better fix than the road that would be used if a mile of road this side of Culver's was thrown open. The other reason is that there are conditions in regard to culverts and head walls that make it unwise to open up this section.

ODD FELLOW BUILDING SOON BE COMPLETED

Anaheim Plain Dealer: The walls of the new Odd Fellow building on West Center street were finished this week and Contractor Heineman is now engaged in roofing the building and doing interior work.

The front of the building has been constructed of cream colored pressed brick and presents a handsome appearance. It is a three-story structure with dimension of 60x100 feet. It will be finished and ready for occupancy within the month.

We have never had a bad one in Orange County, so we are willing to give unusually liberal terms on our late model used cars that are fully guaranteed. Let's get acquainted. RUSSELL MOTOR SALES CO. Second and Bush.

WHERE CRITICISM FALLS FLAT

Certain Southern California papers that took occasion to lambast Governor Johnson for his failure to sign the Avey highway bills would seem to have a rather large mess of crow to devour. While the papers were criticizing the governor for his seeming apathy in regard to the bills, he was working with the state highway commission on a plan to have the desert highway, so earnestly desired by the southern counties, taken over by the state and built from funds in the motor tax fund and with convict labor. As a matter of fact, the governor has been keenly alive to the necessity for a good road from Riverside to Yuma, and when the time came he took decisive action. Riverside Press.

COST OF HIGH LIVING

Eight million gallons of whiskey were made in the United States last year. Who drank it?
Fifteen billion cigarettes were manufactured in the United States last year. Who smoked them all?
Thirty-two million pounds of snuff were manufactured in the United States last year. Who did all the sneezing?
Two hundred and twenty million

pounds of smoking tobacco were made in the United States last year. Who had all the pipe dreams?

Eight and a half billion cigars were made in the United States last year. Who made all the smoke?

Half a billion packages of chewing gum were manufactured last year in the United States. Who worked their jaws?

Twenty thousand moving picture theaters paid \$25,000,000 for films last year and 11,000,000 persons saw the moving pictures. Where did they get all the dimes and nickels?

Ten billion copies of newspapers were printed in this country last year. Who took time to read them?
One hundred and seventy thousand clergymen preached in 220,000 churches last year, and the congregations, of all denominations, numbered 40,000,000. Who went to church?

It is interesting to know what is going on in this country—the things that people are doing and who are doing them—and why.—Leslie's.

WHITE SLAVERS SUSPECTED
SAN FRANCISCO, June 11.—White slavers are believed responsible for the disappearance of Genevieve De Leony, aged 14, who has been missing for two days.

PIONEER DIES
WHITTIER, June 11.—C. W. Harvey, a Whittier pioneer and one of Los Angeles county's heaviest individual tax payers, died today at his mansion, "Orange Orchard."

MAY NOT LOSE LEG
Francis Rivera, who was injured in a hay press at Rustin yesterday, will probably not lose his right leg, according to his physician. Rivera has a compound fracture of the leg. He is resting easily.

POSTMASTER IS ILL
Orange News: Postmaster James Fullerton, who has been ill at his home on East Palmyra avenue for the last few days, is reported to be in a serious condition.

An embolism on the right leg that interferes with circulation and has caused conditions from which it is feared gangrene may set in, is the cause of Mr. Fullerton's danger. The outcome is very much in doubt.

Phones 14.

AN OPEN LETTER ADDRESSED TO WILLIAM J. BRYAN AND TO PRESIDENT WOODROW WILSON

[Communicated]

Mr. Wm. J. Bryan:—Thanks for your sober judgment and your courageous conviction in resigning rather than compromising. The future historian will place you in the "Hall of Fame," because you have in effect averted a useless and senseless war between the United States and Germany.

Yet a greater thing you can do, by advocating an embargo on the exportation of ALL war materials to ANY and ALL nations of Europe, America, the world, because this will go farther than any other measure to stop the wholesale murder by armies and navies, and to bring peace to the devastated peoples of Europe and of Mexico.

Go on fighting for temperance and world peace, and the hearts of millions of mothers on this globe will call you blessed.

God be with you!

Yours respectfully,

Mr. Woodrow Wilson:—Thanks for your having selected Mr. Bryan for Secretary of State since he has proved himself the greatest statesman living in our country. Future history will call the servant greater than the master, unless you seize the opportunity before you of placing yourself on a pedestal higher than that of any president of our past history, by proclaiming an embargo on the manufacture and sale of war materials to ANY and ALL foreign nations.

The resignation of your secretary is proof conclusive that no cause for war exists between our country and Germany, and his judgment will be endorsed by our nation.

It should become recognized as the duty of our government to warn and to prevent innocent passengers from embarking on a vessel of any belligerent nation laden with ammunition in times of war, or on a vessel carrying high explosives in times of peace.

Yours respectfully,

[Editor's Note: President Wilson's note to Germany, printed in full elsewhere in this paper, should be read in connection with the above letters.]

NOTICE

In the Superior Court of the County of Orange, State of California. No. 7125, Dept. 1.

In the Matter of the Dissolution of Orange County Automobile League (a Corporation).

Notice is hereby given by the undersigned, Clerk of the County of Orange, and ex-officio Clerk of the Superior Court thereof:

That on the 8th day of June, 1915, by an order of the above entitled court, there was filed with the Clerk thereof the application of J. E. Pearce, A. C. Drake, C. J. Drake and J. M. Pearce, praying for an order of said court that Orange County Automobile League, a corporation organized and existing under the laws of the State of California, with the place where its principal business is to be transacted at the city of Santa Ana, California, be dissolved.

That any person may file objections to said application at any time before the expiration of the time of publication of this notice, which time will expire on the 8th day of July, 1915.

Dated June 8th, 1915.
W. B. WILLIAMS,
Clerk of the County of Orange, and ex-officio Clerk of the Superior Court thereof.

HUNTINGTON BEACH HIGH SCHOOL OF HUNTINGTON TO BE IN WHIRL FOR WEEK

HUNTINGTON BEACH, June 11.—The High School Commencement is the chief event of the week in Huntington Beach. Beginning with this evening when the class play will be given and continuing through next week the Senior class, at least will be in a whirl of business and pleasure.

Tuesday evening of next week the Junior class entertains in honor of the Seniors with a banquet at Hotel Virginia, Long Beach. Wednesday evening is class night and a program will be given exclusively by the class to invited guests. The nature of the program remains a secret and will not be divulged except to the few favored guests on that occasion.

On Thursday evening the commencement proper will take place. The program for this occasion has just been completed. It is as follows: Overture, "Bridal Rose," C. Laval-lee, High School Orchestra.

Invocation, Rev. J. W. C. Swan, pastor of the Baptist Church.

"My Rosalind," Whybark, Boys' Glee Club.

Address, Mr. James A. B. Scherer, A.M., Ph.D., L.L.D., president of Throop Polytechnic College.

Vocal Solo, Lillian Stahl.

Presentation of Class.

Presentation of Diplomas, Dr. S. G. Huff, president of board.

"O, Italia, Italia," Donizetti, High School Chorus.

Presentation of Flowers.

"Military March," Lampe, High School Orchestra.

The class, which is the tenth to graduate from the local High School is composed of sixteen members of whom fourteen are girls. They are as follows: Joseph Livernash, Harry Bullock, Effie Adams, Gladys Barnes, Myrtle Culver, Eva Day, Ellen Dodson, Florence Grant, Mildred Moody, Hettie Murdy, Helen Nelson, Lois Smithling, Olive Van Winkle, Ruby Van Winkle, Hilda Hill, Frances Porter. Nearly every member of the class will pursue advanced studies either at college or university or at some Normal School.

It is the largest class but one to graduate from the High School.

MASONIC NOTICE

—Friday evening will be Ladies' Night at the Masonic Temple. All members of Santa Ana Lodge, their ladies; sojourning brethren, their ladies; and also members of the Eastern Star are cordially invited to be present June 11th at 8 p. m.

L. F. HARVEY, W. M.

We feel that there are still some who do not know that a used car of real value can be bought right here in Santa Ana on liberal terms, from a responsible concern that will give a written guarantee.

"Rexall Remedies"

Following is a list of good remedies that will help you prepare for warm days and assist nature in fortifying your system against disease:

Rexall Liver Salts —

A combination of Salines that act on the stomach, liver and bowels, assisting in expelling uric acid poisons from the system. For biliousness, kidney and liver troubles—pleasant to take50c

Rexall Liver and Kidney Tea—

For those who prefer a purely vegetable medicine to be prepared at home, there is none better than this—quickly prepared, pleasant to the taste and very effective. It never gripes or sickens. Extra large can25c

Rexall Corn Solvent—

Some of us have corns that delight in tormenting us. But there's relief if you use Rexall Corn Solvent. A fluid that adheres to the corn, gradually and painlessly deadening it until it may be removed. Comes with a convenient glass rod attached to the cork for applying15c

Rexall Sunburn Lotion—

Many who go to the beaches come home badly sunburned. This remedy is cooling, soothing and healing. When applied promptly it allays the burning and prevents roughness—a comfort for all skin irritations25c

Rubber Gloves for Dish Washing—

—window washing, sweeping, etc. These pure rubber gloves are the kind that wear well—guaranteed to give good service50c

Lambs Wool Powder Puffs—

The powder puff is queen now-a-days—these are the good imported kind10c

FREE DELIVERY

When you are in a hurry or need drug store goods urgently, just telephone us and you'll be surprised how promptly the delivery is made. Our patrons tell us ours is the most efficient delivery service.

SOCIAL AND PERSONAL NEWS CONTRIBUTED BY THE BEACH

HUNTINGTON BEACH, June 11.—

Mr. and Mrs. Alexander Nelson, recently of Boston, have bought the Princess theater from W. P. Harrison and will run it in person at least for the summer. Mrs. Nelson, who was formerly Miss Read, daughter of Rev. F. A. Read at one time well known among the clergymen of the Methodist church, is well known in Huntington Beach as she and her mother have lived in Huntington Beach. Mrs. Nelson has not made this her permanent home for the past four years and her mother has since moved away.

Mrs. Mae Weed and daughter, Miss Helen Weed, will leave Monday for Greeley, Colorado, where Miss Weed expects to take her bachelor's degree in English this summer. Miss Weed has resigned her position in the local grammar school and will probably accept a position for next year in the Long Beach or San Diego schools.

Miss Edith Brainard is another teacher to resign in the local grammar schools. She intends to continue teaching but has not yet decided whether to go to San Diego or to some place in the interior for the coming year. The family intends eventually to remove to San Diego but will probably remain here for another year at least. Misses Julia Chamberlain and Bessie Leebick have also tendered their resignations as teachers.

Mrs. Adelaide Howard has been re-appointed as member of the public library board.

J. L. Wyatt and family have occupied the C. H. Howard house on Tenth street, known as the "Doll House."

C. A. Johnson and family are residing at the Holly Sugar Company club house.

C. H. Spurgin and wife have returned from a honeymoon trip and are residing on Seventeenth street.

Members of the Bolsa graduating class in a body attended the regular work of the High School Wednesday. Miss Peterson, teacher of the school has made an enviable record.

Miss Jean Wilson and Mr. Leon Olds of the High School faculty will attend summer school at Berkeley. Miss Helen Nelson of the graduating class will also attend. Miss Clyde Cleaves will attend summer school of oratory in Los Angeles.

ANAHEIM'S LIGHTING SYSTEM IS TRIED OUT

Anaheim Plain Dealer: A tryout was given the ornamental lighting system Wednesday night and worked in a highly satisfactory manner. The lamps are not all yet in position and it will be several days before the system will be ready for regular service.

SPUDS STILL MOVING

Fullerton Tribune: Local shipments of vegetables have decreased considerably in the last week. The potato crop is the only one that remains steady.

FIRE DEPARTMENT

Placentia has organized a new fire department which expects to safeguard that town from conflagrations in the future.

TO BUILD SOON

Fullerton Tribune—R. S. Gregory reports the sale through his agency of a residence lot in Glenwood Square from G. C. Crandall to W. C. Perry. The new owner expects to build in the near future.

GIANT TURNIPS

Huntington Beach News: A. J. Young, who resides on Huntington avenue, left a fine turnip at the News office, Friday afternoon of last week, that measured 19 inches in diameter. It is one of the red-top kind and of perfect shape and texture.

NAMES REGISTERED AT CHAMBER OF COMMERCE

June 10, 1915—W. A. Thomas, Long Beach; Josephine M. Thomas, Long Beach; J. M. Lett and wife, Long Beach; S. Deebie, Pittston, Pa.; Mr. and Mrs. P. I. Cook, Montrose, Colo.; Mrs. M. Gitchell, Long Beach; J. S. Pease, Des Moines, Ia.; R. E. Shaffer, Cashmere, Wash.

Mr. and Mrs. S. J. Edmunds, Hutchinson, Kan.; Mr. and Mrs. W. A. Milligan, Seattle, Wash.; S. F. Woodward and wife, Abilene, Kan.; W. Doherty, San Francisco; Mrs. J. W. Spreese, Columbus, O.; Hilda Burum, La Crosse, Wis.; Archie V. Howard and wife, Ocean Park, Cal.; J. W. Boston and wife, Jacksonville, Ill.; Ermine E. Lane, Moline, Ill.

San Francisco

EIGHTEEN ENGINEERS ARE TO PRESENT THEIR PLANS

NEWPORT BEACH, June 11.—Seventeen sets of plans, prepared by seventeen of the foremost engineers in the West, designed for the purpose of protecting the water front from the winter storms, will be examined by the board of trustees of Newport Beach next Monday night at 8 o'clock at the mass meeting to be held in the auditorium of the grammar school.

The engineers will be at the meeting and will explain the merits of their particular plans with the aid of stereoscopic pictures. The fourteen systems are made up of variation of the Groynes system and wooden and reinforced bulkheads.

So much damage has been inflicted during the past winter by the storms and high tides that it has been considered absolutely necessary to install some form of protection before next winter. Three weeks ago the high tides almost washed out the First National Bank, and the danger increases with each successive storm.

who holds the highest grade certificate ever issued by California State Board of Examiners will open a First Class Optical Practice June 21st, near Post-office on Sycamore St., Santa Ana.

WILSON NOTE IS HELD PEACEFUL BUT CARRYING CONCEALED THREATS

(CONTINUED FROM PAGE 1)

In the Moselzka region resulted in the defeat of Gen. Von Mackensen. A terrific conflict east of the Strud resulted in the repulse of Gen. Von Linsingen, the Russians capturing 2000 men.

The third Russian victory was at Stanislaus, where the Germans retreated behind the Lemberg railway. The Russians have captured Racewke, with 800 men and twenty officers.

On the Dniester, near Zuvavno, 6500 Germans are said to have surrendered. In the Baltic provinces the Russians are on the offensive.

West and south of Lemberg it is announced that more than 10,000 Germans and Austrians, seventeen cannon and forty-nine machine guns were captured in three days.

DEAD PILED IN HEAPS AS AUSTRIAN DASH FAILS

ROME, June 11.—It is officially announced the Isonzo river bridge is the center of a fierce battle. The Austrians attacked the Italians at Fricopel Pass and were heavily repulsed, 1000 surrendering. Italian machine guns raked the advances and piled the dead in heaps.

AUSTRIAN SUBMARINE SINKS SMALL BRITISH CRUISER

VIENNA, June 11.—An Austrian submarine has sunk a small British cruiser thirty miles west of San Giovanni, evading the six destroyers guarding the vessel.

BRITISH ADMIT LOSS OF ANOTHER STEAMER

LONDON, June 11.—The British steamer Otago has been submerged and sunk.

AMUSEMENTS

"A Child of the North"

A stranger's kiss awakens a wild, fierce love in the breast of Nan, a half-breed girl of the North. She leaves her brutal father, and goes to live at the stranger's camp. For a while happiness reigns supreme, but Burton meets a new face and forgets Nan. She soon learns of this, and her love quickly turns to hatred and a desire for revenge. Following the dictates of her half-savage nature, she encompasses, in a most sensational manner, the death of the man at whose feet she had laid all, then escapes in a canoe after braving the most dangerous rapids in that part of the first heavy snow in the winter, overtakes her, and when her one true friend finds Nan, he touches her rigid body and finds the North has claimed its child. An exceptional picture in every respect the last scene will linger in the memory as a most beautiful touch of pathos.

"Don't miss Vitagraph's 'Child of the North.' She gets right into your heart and, after viewing this production, stays there," says Manager Russell. At Clune's Theater tonight, Margaret Gibson and an all-star cast of Western Vitagraph players are in it.

Chaplin at Clune's

In "By the Sea," being shown at Clune's for the remainder of the week, Charles Chaplin, with his feet performing their usual mirth-provoking perambulations, wanders down to the sea shore. There is some wind blowing, so Chaplin anchors his hat to his head with a cable. He meets a pedestrian whose hat is similarly attached. The two dump, their hats fly off and they scramble for them. When the hats finally are recovered, each has the wrong one. This causes considerable embarrassment when the two cables go taut and the two men separate. Anger soon takes the place of embarrassment when the cables become hopelessly entangled, and they battle all over the beach. After they have fought themselves weary, they shake hands and decide to have a drink. They get ice cream cones and each insists the have the honor of paying for them. This is unsatisfactory to the drug clerk and another row starts. They smear each other with ice cream and incidentally bespatter a six-foot dandy, which precipitates still more trouble. While the battle is still in progress Chaplin leaves his new-found pal in the lurch and slips off to flirt with the sweet-heart of the dandy. His perfidy is discovered, however, and the result would stir the risibilities of the most forlorn gloom.

At the Temple

Tonight and tomorrow Dustin Farnum, in "Captain Courtney," will be shown. Three shows daily, 2:30, 7:30 and 8:45. Admission, 5 and 10c.

NOTICE OF BIDS

—Notice is hereby given that sealed bids will be received by the City Clerk of the City of Santa Ana, Cal., up to the hour of 5 p. m., June 14th, 1915, for the collection, transportation and disposition of garbage and rubbish, according to specifications on file in the City Clerk's office. The city reserves the right to reject any or all bids.

E. L. VEGELY, City Clerk.

Tired, Aching Muscles Relieved
Hard work, over-exertion, mean stiff, sore muscles. Sloan's Liniment quickly applied, a little quiet, and your soreness disappears like magic. "Nothing I ever helped like your Sloan's Liniment. I can never thank you enough," writes one grateful user. Stops suffering, aches and pains. An excellent counter-irritant, better and cleaner than mustard. All Drugists, 25c. Get a bottle today. Copyright Hart Schaffner & Marx

Wear Hart Schaffner & Marx Varsity Fifty Five

the style of the season

Young men who buy their clothes for smart style, regardless of price, choose Varsity Fifty Five---they can't get snappier fashions at any figure.

You men who buy your clothes for price will find that the quality back of the style in this suit makes it the most economical "buy" you can find anywhere.

Varsity Fifty Five in its variations

Come and try on the Varsity Fifty Five designs; two and three button models; some vests with roll collars, others without; perfect designing and "gingery" styles in every line. You'll find rare color effects in the new fabrics; you'll like the Glen Urquhart plaids, the new checks and stripes. See them all today.

Splendid values at \$18, \$20, \$25, \$30, \$35

Why \$25 is a good price to pay for Your suit

It's not what your \$25 does for us, but what it does for you that we're considering. At \$25 Hart Schaffner & Marx reach the point in making where value asserts itself most emphatically.

You may pay more and get higher priced materials, but at \$25 you'll get intrinsic merit, and all that makes a man satisfied he has a good, big money's worth.

Our selections at this price are extremely wide; you'll find anything you may wish in style or shade---the values are exceptional

Extra-size men---you're not hard to fit

Here are the goods to prove it

Don't pay a custom tailor a lot of money just because you think you're hard to fit. You aren't; and we're ready to substantiate that claim.

Hart Schaffner & Marx have given us the clothes to do it with; very tall men; slender or big, deep chested fellows; short men, slender or rotund; boys too tall for their age. We have clothes for all of you, and the competent men to give you just what you want.

These clothes are exceptionally high grade. Splendid values at \$18, \$20, \$25, \$27.50.

Suits for Long Pants Boys

---for graduation, for wear any place you want a good looking suit, we show a great line of fine suits. Blues and dark worsteds cut in the style to look the best on you.

---Excellent values at \$15.

All-Wool Knicker Suits \$5

---for goods, for fit, for style, we don't believe these suits are equaled at the price.

Panamas! Panamas! Panamas!

Selected for their fine, smooth weave and bound to look good to the particular man. The most popular shape has a high crown with a pencil brim, \$5.

Straw Hats \$1.50 \$2.50 \$3

---the rough ones with that nifty look---high crowns, narrow flexible brims, the kind that will "stick" in the car.

Take a Good Look at Our Shirt Values

You'll find so many good shirts here, so many good colorings, so many good styles, at so many different prices, that there's not a man of you who cannot find just the thing to suit his head, his mind, and his purse.

\$1.00 is a good place to begin.

Summer Union Suits

---Here you'll find the best dollar suits on the market. B. V. D., Porosknit, Coopers', Wilson Bros., Olus.

SANTA ANA, CALIFORNIA, FRIDAY EVENING, JUNE 11, 1915.

GAS EXTENSIONS BEING PUT IN BY COMPANY

Satisfactory progress on development work by the Southern Counties Gas Company is reported by C. M. Butterworth, local manager.

"Business is keeping up well," says Butterworth. "Among the new extensions that we have completed are nearly a mile of pipe on McFadden street, Tustin; piping on Walnut and North Grand streets, Orange; piping on East Ocean avenue, Garden Grove; and a 6-inch line to the Anaheim sugar factory, the line now being extended into the center of Anaheim.

"We expect to do a large business in converting gasoline engines to gas for irrigation pumping.

"As it looks now we will supply a considerable amount of gas for chile drying this fall.

"At present we are connecting up the airport drier of the Guggenheim Packing Company, Santa Ana.

"The big cupola at the T. H. Gardiner Iron Works is now being supplied with gas and the core ovens heated with it.

"Every large steam plant in the Southern Counties Gas Company's territory in this county is now using gas, including the Orange water works, Santa Ana water works, Anaheim water works, Taylor's cannery, this city; Placentia cannery, Anaheim brewery, Santa Ana Commercial Company, Peoples laundry, Fullerton laundry, French laundry, this city; the County Hospital laundry and the Fullerton ice plant.

"We expect that by the first of the year practically every house in Santa Ana will be heated exclusively with gas. Some of this season's installations have already been started.

"We are constantly putting gas service into new and old houses in Santa Ana."

TO START REMODELING BUILDING MONDAY

It is announced that the work of remodeling the Mitt Phillips building at the corner of Birch and Fourth streets at present occupied by the R. R. Smith feed store, will be started Monday. The architects, Elwing and Tedford, have prepared plans that call for an addition and the installing of a new and modern front.

MORE ROOM
Orange News: The remodeling connected with the building of the new addition to the Edwards Block has reached the Geo. C. Woods dry goods store. The rear of the store has been torn out and will be moved back a few feet, giving more space to the store and providing a side entrance to the plaza.

Handsome Hostelry at Anaheim Certain Big Four-Story Plant Will Cost \$50,000

Anaheim Gazette: Work of demolition of the Commercial hotel building to make room for the splendid new structure which will be erected on the site is shortly to begin. Mr. Ziegler will erect a sheet iron building south of the hotel for a temporary accommodation for the bar, and when he gets into it the old building will be torn down. As soon as the ground is cleared the excavators will begin preparing for the foundation of the new building.

LAWRENCE BUILDING IS MAKING PROGRESS

Excavations for the basement of the H. W. Lawrence building, adjoining the building at the corner of Fourth and Birch streets, occupied by the R. S. Holmes furniture store, were practically completed yesterday. Concrete moulds for the basement walls are now being built under the supervision of Clarence Skiles, who has the cement contract. The building, which will cost \$9300, will be completed by August 1, according to the terms of the contract.

KIMBALL & JOHNSON
316 West Fourth St.

architect, and he has left nothing out of the plans that could add to the convenience and comfort of the guests. It will contain spacious parlors and waiting room, private dining rooms, a large room with a private dining room, an elevator leading from the basement to the roof garden, a splendid lighting system, and everything that modern ingenuity can devise to make it comfortable and convenient. The corner room on the ground floor is designed especially for the Anaheim National bank and the east room across the spacious corridor is to be the bar room.

The old Commercial hotel is soon to pass out of existence. It has long been a landmark in Anaheim, but the town has outgrown its dimensions, and it must give way to a more pretentious structure. It was built by

Henry Kroeger in 1870-71, and its first landlord was Henry Bremmerman. Three years later it was turned over to Max Nebelung, who conducted it a number of years. Twelve years ago John Ziegler purchased it from Walter Neipp and has conducted it ever since.

In its early days this hotel was one of the most popular hostels in Southern California. It has been the scene of many a joyous social event, and has hospitality entertained noted men in all walks of life. Congressmen, governors, senators, have been its guests, and many persons of note from foreign lands have enjoyed its hospitality. It has witnessed nearly half a century of life and is inadequate to the present needs of the growing city, consequently it must give way to a larger and more modern structure. The new building will cost \$50,000.

RICHLAND WALNUT ASSOCIATION LOOKING FOR UNUSUALLY LARGE CROP THIS YEAR

Orange Post: "The outlook at this time for an unusually large crop of walnuts throughout this section is quite promising," said R. M. Hargrave, president of the Richland Walnut association, organized here four years ago. Further he said that the trees in many orchards are most too heavily loaded, and that it will be better for them if some of the small nuts fall off—that the remaining crop will develop all the better.

Mr. Hargrave cautiously stated also that it is too early now to build too strongly upon the unusual size of this year's crop, since the blight, now appearing in some sections, has yet to be reckoned with and that there is pretty sure to be an abundance of such detriment before the end of the growing season.

The product from in excess of 1500 acres of walnut lands, owned by 110 growers, is handled by the Richland association.

Aphis Quite Injurious
Secretary Vostler, of the state horticultural commission, states in a recent publication from his office that much injury has been done to the wal-

nut in various portions of this state by the walnut aphis. According to his statement, the aphides are present from February until December, occurring in greatest numbers during the months of July and August. There may be from six to ten generations a year. Sometimes the infestation is so great that a single leaflet may harbor 150,000 individuals, and Davidson has counted over 30 aphides on a single young nut.

Winter spraying for the eggs of the walnut aphis is easiest to apply, and high trees can be reached by the spraying at this time without much trouble. Spraying for the aphides in the summer time is difficult, as a thorough application is almost impossible on account of the thick foliage. The lime sulphur and the crude oil emulsion sprays are effective when used at this time. The lime-sulphur solution, however, is a better spray to use than the crude oil emulsion. Every limb and twig should be thoroughly covered with the spray. The strength of the commercial lime and sulphur to use is one part to eight parts of water, or one to 11 of water.

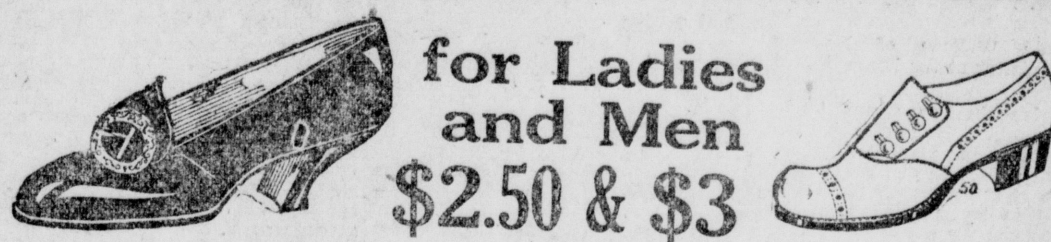

GARDEN GROVE BEET CROP WILL AVERAGE ONE TON TO ACRE MORE THAN LAST YEAR

Garden Grove News: The beet harvest is rapidly approaching. The beet dumps will be opened beginning with July 20 to 25. The tests show that there will be about a ton to the acre more than last season. Last year the average was nine tons; this year it will be ten tons. The crop is quite uniform. The bulk of the Garden Grove beets will go to the Co-operative

factory at Santa Ana. The Anaheim factory handles nothing much along the electric railway line.

Speaking of beet growing, a prominent grower said the other day: "A man needs at least eighty acres of beets to get the most out of a crop. He can handle that many. This will give him about \$2000 profit. It is not so satisfactory when you have five or ten or twenty acres."

New Summer Footwear

for Ladies
and Men

NEW BOILER FOR OIL WELL AT HARPER

HARPER, June 11.—A new boiler is being installed at the oil well in order to handle the long string of eight-inch pipe. The old boiler will be used in connection with the new one and by this means it is thought the work on the well will be greatly facilitated.

Mr. Saddle of Ontario, Calif., has moved into the Chee house near Harper. Mrs. Saddle has been quite sick for the past few days but is now recovering.

Marguerite Wallace of Newport Beach is a visitor at the home of Mrs. Hinkle.

Picking blackberries seems to be one of the chief industries in this neighborhood at the present time. Owing to a burned out bearing on the engine at the pumping plant irrigation had to be suspended on the Fairview Farms for a couple of days recently, although there was plenty of water on hand for domestic purposes. The children day exercises will be held at the Harper Church, Sunday, June 13, at 7:30 p. m.

The graduation exercises of the Harper School were held at the Harper Church Thursday evening, June 3, and a very interesting program was rendered.

Inactive Kidneys Cause Disease

"I shall not soon forget the benefits I derived from the use of Foley Kidney Pills."—Al. A. Godfrey, Forest Grove, Oregon.

Too much work and too little work seem to have about the same effect on persons past middle age. Proper action of the kidneys is necessary to good health. They act as a filter and remove from the blood poisonous waste matter which if permitted to remain in the system leads to many complications.

Many nervous, tired, run-down men and women suffer from pains in the back and sides, dizzy spells, bladder weakness, sore muscles and stiff joints and fail to realize that rheumatism, diabetes or even Bright's disease may result.

If you have cause to believe that your kidneys are weak, disordered or inactive you should act immediately. Foley Kidney Pills have been used by young, middle aged and old with complete satisfaction. They act quickly and surely and have given relief in cases of ten years' standing.

dered. Mrs. Bainbridge and Miss Fisher certainly know how to get up an interesting entertainment, and both have given excellent satisfaction as teachers.

A regular meeting of the Fairview Farms Association was held on Tuesday evening of this week at the home of N. O. Mellott at which refreshments were served, it being the birthday of N. O. Mellott as well as the regular meeting of the society.

Mrs. Charlie Ross and son have been visiting with Mrs. Ross' parents, Mr. and Mrs. Watts, for the past few days.

This usually quiet neighborhood was startled a few days ago by the appearance of a member of the genus hobo in a nearby barley field. Now these tourists are not so uncommon here as to be noticed but this one seems to have slept until very late in the morning, and then insisted on making a complete toilet in the open field in plain view of a number of homes. An officer from Newport was called and he was moved to more congenial quarters.

Mr. Arnold and son, each of whom have tracts here, are here for a while putting out lemon and orange orchards.

ANOTHER FINE HOME IS BEGUN AT ORANGE

Orange Post, June 8: The contract for building the commodious residence for V. W. Roberts on East Maple avenue, between Shaffer and Cleveland streets, was let yesterday to Frank H. Wilson. Work on the foundation for the new building began yesterday. In style of architecture, the building will be a two-story Swiss chalet of six rooms. A building permit covering the construction of the new home was taken out yesterday by Mr. Roberts for \$2300, this including a garage.

The graduation exercises of the Harper School were held at the Harper Church Thursday evening, June 3, and a very interesting program was rendered.

FINISH TRACK SCALES BY JUNE 15, REPORT

Fullerton Tribune: Work on the track scales of the Santa Fe has been suspended for the present owing to non-arrival of materials. The excavation is complete and part of the cement work is finished. It is expected that the installation will be completed by June 15.

RESUME PACKING
Orange News, June 8: The McPherson Heights Citrus Association resumed packing today, beginning their June pool. This is the first work this house has done recently. Manager Post reports that the market outlook shows a decided improvement and he looks for good returns.

Shamrock, Mo.—"I feel it my duty to tell the public the condition of my health before using your medicine. I had falling, inflammation and congestion, female weakness, pains in both sides, backaches and bearing down pains, was short of memory, nervous, impatient, passed sleepless nights, and had neither strength nor energy. There was always a fear and dread in my mind. I had cold, nervous, weak spells, hot flashes over my body. I had a place in my right side that was so sore that I could hardly bear the weight of my clothes. I tried medicines and doctors, but they did me little good, and I never expected to get out again. I got Lydia E. Pinkham's Vegetable Compound and Blood Purifier, and I certainly would have been in grave or in an asylum if your medicines had not saved me. But now I can work all day, sleep well at night, eat anything I want, have no hot flashes or weak, nervous spells. All pains, aches, fears and dreads are gone, my house, children and husband are no longer neglected, as I am almost entirely free of the bad symptoms I had before taking your remedies, and all is pleasure and happiness in my home."—Mrs. JOSIE HAM, R. F. D. 1, Box 22, Shamrock, Missouri.

Shamrock, Mo.—"I feel it my duty to tell the public the condition of my health before using your medicine. I had falling, inflammation and congestion, female weakness, pains in both sides, backaches and bearing down pains, was short of memory, nervous, impatient, passed sleepless nights, and had neither strength nor energy. There was always a fear and dread in my mind. I had cold, nervous, weak spells, hot flashes over my body. I had a place in my right side that was so sore that I could hardly bear the weight of my clothes. I tried medicines and doctors, but they did me little good, and I never expected to get out again. I got Lydia E. Pinkham's Vegetable Compound and Blood Purifier, and I certainly would have been in grave or in an asylum if your medicines had not saved me. But now I can work all day, sleep well at night, eat anything I want, have no hot flashes or weak, nervous spells. All pains, aches, fears and dreads are gone, my house, children and husband are no longer neglected, as I am almost entirely free of the bad symptoms I had before taking your remedies, and all is pleasure and happiness in my home."—Mrs. JOSIE HAM, R. F. D. 1, Box 22, Shamrock, Missouri.

HOLLYWOOD MAN TO BUILD BIG RESIDENCE

Anaheim Plain Dealer: George Barfoot, wealthy resident of Hollywood, has submitted plans to contractors for a fine dwelling to be erected on a ten-acre tract on S. Los Angeles street, across from the Joe Ficus place.

The building will be one of the finest residence structures in this section. It will be of the Swiss chalet type, contain nine rooms and have every modern convenience. It will cost not less than \$4000, and its construction will be begun at once.

The structure, when completed, will be occupied by Mr. Barfoot, he having arranged to move here with his family the latter part of the summer.

In addition to the ten acres upon which he will build, Mr. Barfoot has another ten acres south of town which he has just finished planting to Valencia. He also owns considerable acreage at Yorba Linda.

Mr. Barfoot is spending much of his time here at present in looking after his properties, and the more he sees of this section the better he likes it.

SOON START STREET IMPROVING PLAN

Dwelling on Ten-Acre Anaheim Tract Is to Cost \$4000

Orange News: Improvement of North Glassell street and East Chapman avenue between the paved sections and the city limits will be started by the street departments as soon as the weather becomes sufficiently warm to soften the oiled portions of these streets.

When this condition occurs, a heavy planer owned by the county will be placed on the streets. The high places will be planed down and the depressions filled up. A light coat of oil and gravel will be placed on the surface and rolled in by the city's steam roller. This treatment will, it is believed, give a satisfactory temporary surface. The streets are at present in very bad condition.

CONTRACT RECORDED FOR MARCY PROJECT

A contract has been recorded between Carrie E. Marcy and A. M. Boyd for the construction of a frame boarding house, a frame implement house, and a frame addition to the present stable and frame hay barn on a portion of the Marcy ranch in the Lemon Heights district situated north of the town of Tustin. The consideration is \$8110.

REMODEL A. C. BOWERS RESIDENCE ON MAIN

Three rooms in the A. C. Bowers residence, 1401 North Main street, are being remodeled according to plans prepared by Architect J. Flood Walker. A sun parlor is to be one of the new added features. Tapestry wall paper, new woodwork, doors and hangings will be added.

TO BUILD BARN
Fullerton Tribune: Contractor Pelly will at once erect a large barn for Charles Ruddock on Wilshire avenue and later will erect a neat residence for Mr. Ruddock.

Shamrock, Mo.—"I feel it my duty to tell the public the condition of my health before using your medicine. SPRINGTIME

In the Yucaipa Valley

Apple and cherry blossoms in abundance give promise of a big fruit crop. A thousand acres of the new orchards will come into profitable bearing this year.

These are busy days in the valley with the rush of spring work. The great sub-division of the 4000 acre Dupont Ranch is now ready. Go and see this fruit, vegetable and stock land, all under irrigation, right here in Southern California, and sold at a reasonable price on easy terms. Go and see what is doing in the valley. Twice a week we make automobile trips to show this land to homeseekers and investors. We go via Corona, Riverside, San Bernardino and Redlands, one day or night if you desire.

GIGANTIC \$75000 MEAT PACKING PLANT BEGINS OPERATIONS

Anaheim Gazette: Thursday morning the machinery was started in the establishment of the Anaheim Beef & Provision company, and the ammonia was turned into the pipes of the two large refrigerating rooms, but it was not until Monday that the first killing was made when twenty hogs were slaughtered for the day's market.

Fifty thousand dollars has been spent by Messrs. Reuther & Hosea in building and equipping the plant, which although not as large as some of the older institutions, is amply prepared to slaughter animals and convert them into meats on the most modern scientific principles. Twenty men will be employed in the business to begin with. These men are experts who thoroughly understand the work and the meat which bears the stamp of the Anaheim Beef & Provision company will be graded first class. The capacity of the plant is fifty hogs, twenty-five hogs and twenty-five sheep per day. The product of the institution is all contracted for in Anaheim and neighboring towns and large delivery trucks will carry the meat daily to the markets. While the company prefers to sell all of its product fresh, provision is made for curing hams, shoulders and bacon and this will probably become an im-

portant department in the future. The establishment is situated on the spur track running from the Santa Fe railroad to the sugar factory, and is almost directly opposite that institution. Twenty acres of ground was purchased here and ten acres more leased from the sugar company, in order to make room for their buildings and large feeding pens. The entire output of dried pulp of the sugar mill has been contracted for and will be used in fattening the stock for slaughter.

The Bixby ranch of 8000 acres, above Olive, has also been leased and will be used as a range for stock cattle. All the stock purchased by the company will be turned on the range there and removed to the feeding pens at the packing house for fattening as fast as they are required for slaughter. A fine bunch of steers were turned into the pens last week and put on full feed. These pens cover several acres of ground and will hold hundreds of head of stock.

The company has an excellent field for an expanding business in this region and expects to operate its plant at full capacity. It has a fine establishment, a magnificent range within easy distance and an abundant supply of cheap and excellent feed at hand.

BUILDING PERMITS

N. S. Taggart, with Carrigan of Long Beach as contractor, garage, at 1010 West First street; \$125.

BUSINESS PROPERTY AT ORANGE IS SOLD

Orange News—The purchase of the Moore business property on North Glassell street by U. D. Rhodes, secretary of the Orange Building & Loan Association, has been announced. The property has a frontage of a little more than 49 feet and includes the old Star Theater and Star restaurant buildings.

Mr. Rhodes made the purchase as a personal investment, and states that he will immediately remodel the old theater building into a business house. No other changes are contemplated at present. The property was owned by Mrs. J. D. Moore of Williams, Indiana, formerly of this city.

Fare, \$1.00 round trip, 65c one way.

LA HABRA VALLEY WALNUT CROP TO BE GIGANTIC ONE

Fullerton Tribune: La Habra valley, one of the richest sections of Orange county, abounds in good crops this year, and walnuts are exceptionally fine.

Walnut clusters are many, and as a sample of this year's nuts a cluster was brought in by W. J. Gregory, secretary of the La Habra Walnut association.

Mr. Gregory does not claim honors in the matter of number as he is aware that a cluster of nineteen nuts

holds the record. The nuts on the cluster which he picked are large, well formed and connected to a piece of a stem less than two inches long, resulting in a compact cluster.

The walnut trees in La Habra valley are loaded, according to Mr. Gregory, and there is every indication for a bountiful crop. Last year the association shipped about twenty-five cars, and it is believed this year's crop will go over that mark, although an accurate estimate cannot be obtained until July or August.

ORANGE MERCHANTS NEW CONCRETE METER BOXES REPLACING OLD STYLE ONES ARE TO ENCOURAGE FACTORIES

Orange News, June 10: A committee for the encouragement of manufacturing here was the product of a discussion last night at the meeting of the Merchants and Manufacturers' Association held at Odd Fellows' hall. The function of this committee is to get in touch with the manufacturing enterprises and encourage them to locate in Orange.

The subject was introduced by E. H. Smith, who cited the fact that other towns in this section are accomplishing something in the way of inducing small manufacturers to locate, while Orange is doing practically nothing. He urged that legitimate enterprises, even though small at the beginning, are desirable, because furnishing employment which must be offered as an inducement to population.

In the discussion that developed there was a decided objection to the consideration of anything in the nature of a stock-selling concern, but the factory idea met with favor, and a committee, consisting of E. H. Smith, A. Higgins and John Eggers, was appointed.

Henry Kogler and B. D. Stanley were named as a committee to co-operate with the Commercial Club in getting out an advertising envelope. The association decided to print cards notifying the public that unidentified checks would not be accepted.

A committee, consisting of C. F. Newton, J. F. Craemer and E. G. Hutchinson, was named to secure a permanent meeting place for the association.

A fine dinner was served by Deckers, and the high school orchestra provided excellent music.

IMPROVING STREET

Placentia Courier: The grading and oiling of Main street has been completed and the grading of Melrose street has been begun. This is also to be oiled. The gas and water companies have lowered their pipes to conform to the new grade.

As a result of new activity in the Placentia field quite a number of oil men have moved to Placentia from Brea and have rooms at the Placentia Hotel or apartments in the Anderson block.

O. C. Christensen will erect a garage for F. F. Barnett, to house the latter's new Ford.

ANAHEIM MAY HAVE ANOTHER CARRIER

Anaheim Gazette—Postoffice F. M. Trout was in Anaheim last week and spent a couple of days probing into the affairs of the postoffice. At the close of his investigation he gave Postmaster Ahlborn a clean bill and complimented him and the force on the excellent condition in which he found the affairs. Mr. Trout also inspected the routes of the proposed city delivery extension, but expects to return later for the purpose of giving this matter further consideration. If the petition of Postmaster Ahlborn is granted it will necessitate the addition of another carrier. It will probably be necessary to build some additional sidewalk before the new route is established.

YORBA LINDA TO HAVE \$12,000 CITRUS HOUSE VERY SOON

Fullerton Tribune: The survey was begun Saturday for a new packing house to be erected by the Yorba Linda Citrus association on its townsite property at Yorba Linda. The cost of the building will approximate \$12,000.

APPLE TREE BEARING 5 CROPS IN ONE YEAR

Garden Grove News: Edward Chaffee has an apple tree which might well be called the everlasting variety. Last year it bore five crops of apples and there were blossoms, buds and fruit all the time. Just now there are blossoms and fruit larger than walnuts on the boughs. It seems perhaps there will be at least five crops this year. The tree stands just behind the barn, and if you think this a fish story, just step back and take a look.

ASSOCIATION OF BEAN GROWERS TALKED OF

Garden Grove Feels Need of Co-operative Organization; 3000 Acres In

Garden Grove News: The next thing on the program of prosperity after the Orange Growers' Association is a Bean Growers' Association. It would not cost a great amount to install machinery for cleaning the beans. It has been suggested that this could be operated in connection with the walnut packing-house. This would do away with the erection of a new building. In Santa Barbara county it is common to find the beans handled in a walnut or lemon packinghouse. The growers here are feeling the need of some sort of a get-together movement, and it seems probable that as soon as the crop gets a little farther along an effort will be made to form an association. It would cost something like \$2000 to install a bean cleaner. This would be a trifle for each grower under some association plan. There are 3000 acres in beans this season in this vicinity. Many young orange groves are in beans.

STREET IMPROVEMENT CAMPAIGN UNDER WAY

Orange News—Property owners on nearly a dozen blocks having signified willingness to pay for oil used in oiling and graveling their streets, Street Superintendent Buchanan is preparing for an extensive improvement campaign.

Gravel is now being hauled for the work. A car load of oil will be received about next Wednesday. The steam roller will be put to work and the streets placed in condition so that sprinkling with water will not be necessary this summer.

The city hopes to eliminate most of the street sprinkling by oiling, and thus alter an expensive and not very effective method of keeping down the dust. Last year from 800 to 1,100 tanks of water per month were used on the streets. By oiling, much of this work will be eliminated.

Ice Cream Freezers

State and County Taxes Delinquent For the Fiscal Year 1914-1915I. J. C. LAMB, AS TAX COLLECTOR in and for the County of Orange, State of California.
HEREBY GIVE NOTICE that default has been made in the payment of taxes due to the State of California, and to the County of Orange, for the year ending June 30, 1915, upon the property hereinafter described, and that unless the said taxes, so delinquent, together with all penalties and costs thereon, be paid at the Tax Collector's Office in the County Court House on or before

SATURDAY, THE 26th DAY OF JUNE, 1915, at 10 O'CLOCK A. M., of that day, all of said property described in the within list (EXCEPTING such pieces or parcels thereof as have heretofore been sold to the State of California, and are described in the addenda to this list), on which said taxes, penalties and costs are then unpaid, will on the date and at the hour above specified, BY OPERATION OF LAW, be sold to the State of California, and that such sale will be made in the office of the Tax Collector of said County.

PROPERTY TO BE SOLD AT PUBLIC AUCTION.
Special attention is hereby directed to the NOTICE OF SALE, published in the addenda to this list, of property heretofore sold to the State, and which, in pursuance of law, will, on the last day of July, 1915, at 11 o'clock a. m. be offered for sale to the highest bidder for cash.J. C. LAMB,
Tax Collector of Orange County, California.

Dated June 1st, 1915.
